Anke Boysen / COUNTRY STRONG

*is hereby recognized as a Certified Breeder of the
NATIONAL ASSOCIATION OF LOUISIANA CATAHOULAS, INC.*

Welcome new and renewing Breeders. We at NALC appreciate your support and help in preserving the Louisiana Catahoula as a pure and valuable breed. You, as a Certified Breeder, are asked to continue to keep the breed pure by breeding to only NALC registered dogs, and help promote, preserve and protect this unique part of Louisiana Heritage. You are also asked to keep complete records on all litters of purebred Louisiana Catahoulas, send pedigrees to the NALC office in a timely fashion, and keep accurate records on all dogs sold.

The purpose of the NATIONAL ASSOCIATION OF LOUISIANA CATAHOULAS, INC., is to insure the continuing line of certified purebred Louisiana Catahoulas through a supervised program of breeding and registration. Furthermore, this is an act of preservation for a unique part of Louisiana Heritage in recognizing the Louisiana Catahoula as the only breed of dog which historically originated in the State of Louisiana.
